Class Descriptions

Ballet provides the base for all technical dance styles, combining strength, poise, fluidity and grace.

Tap teaches dancers how to use their feet to create a variety of different rhythms and percussions.

Jazz is high energy, focusing on dynamic movements and developing strength and flexibility.

Musical Theatre is a class which includes acting, singing and dancing as in popular musicals such as "The Sound Of Music", and "Mary Poppins".

Hip Hop is a class in which students learn techniques such as bounce, groove and isolations exploring a variety of styles.

Acro is a combination of dance technique with tumbling & limbering skills such as cartwheels, bridges, handstands and walkovers.
